I would also like to inform the folks who have been contributing to our gravestone fund that we have $1245.00 in our account the last I heard. We have George Andres, John A Donald, Thomas Foley, Carl Powell, John Reynolds, and Ted Sell to get stones for. 5 of them for sure should merit military stones, I’m not really certain of the other one. Then of course we still have Milt Busby to get a stone for. This has been the most gratifying thing I think I have ever been a part of, and I wish that someone in every town would get on the stick and check out all their vets! Too many veterans are going unremarked, and I think that is awful. So many of them lie in cemeteries with not even a marker. They deserve much more than that, and I am happy to be a part of remembering ours.
