Hello, this is Brady Oltmans from the Casper Star-Tribune. This might be a long shot but I’m reaching out to see if you can help connect me with some local farmers and ranchers in and around Meeteetse. It is my aim to cover more of the state’s agriculture, as I feel Wyoming’s farming and ranching communities have fallen under our radar. In order to do that properly I’d love to talk with anyone in the area who would be willing. If you know of anyone who’d be willing to talk with me and share the struggles facing Wyoming’s farmers and ranchers today, feel free to give them my email address as well as my office phone (307-266-0615) and my cell phone (402-621-0471).

The Conservation Districts in Park, Big Horn, and Washakie Counties would like to invite the public and any agencies with an interest in conservation issues to participate in a Local Work Group meeting to be held on Thursday May 2\textsuperscript{nd}, 2019 in the Grizzly Hall at the Park County Library 1500 Heart Mountain St, Cody, WY 82414 at 12:00 p.m.

The purpose of this meeting is to receive input from a broad range of local agencies, organizations, businesses, and individuals that have an interest in natural resource conditions and needs in Park, Big Horn, and Washakie Counties, and to provide that information to the Natural Resource Conservation Service (NRCS).

The Farm Bill stipulates that conservation programs must continue to be locally led. Through these stakeholder meetings, the public is given an opportunity to help local conservation leaders set priorities such as: help prioritize resource concerns; help prioritize watersheds; and discuss consideration of reorganizing what resource concerns fit best under the existing sub-accounts of: Farm, Ranch, Farmstead, and Multi-Use.

To be eligible for prizes, contestants must hold a current Wyoming Fishing License, must be registered and have paid an entry fee to the Meeteetse Visitor Center. Any unregistered fishermen will be disqualified. Any fishing before 8:00 am or after 2pm will be an automatic disqualification. Judging will be from 2:00 until 3:00 pm each day. You may fish on either the Upper or Lower Sunshine on each day. Judging will be on the flat area above the bathrooms, on the Lower Sunshine Reservoir on both days.

Registration marker cannot be transferred and MUST BE VISIBLE at all times on the Derby participants.

Wyoming Game & Fish regulations apply to all registrants, and all registrants must have a current fishing license. WGF personnel could be present at the Fishing Derby. Any G&F violation will result in automatic disqualification of the entire team. To qualify for prizes, there is a maximum of two (2) rods per person. Only 6 fish total will be judged for derby. You may enter from 0-6 fish on either day but the fish judged must be caught that day. Remember the daily and possession limit on the Sunshine Reservoirs is six (6) trout. Small Fry Division will have 2 fish total judged for the derby.

The May Days in Meeteetse Fishing Derby is a HARVEST CONTEST. No culling will be allowed and would result in immediate disqualification. Any fish caught that is not to be counted in the creel limit shall be immediately released to the water with as little injury to the fish as possible. Any fish placed on a stringer, in a container, in a live well, or not released immediately to the water, shall be considered to be reduced to possession of the angler and shall be killed prior to being transported from the water of origin. – Wyoming Fishing Regulations 2017-2018.

Cutting or any other alteration of the fish will result in disqualification. NO FROZEN FISH WILL BE ACCEPTED. Fish with white eyes or other signs of being frozen may be sliced open by Tournament Official to check for internal signs of freezing. Information on the number of fish caught and kept or caught and release will be recorded so all participants must check in at the end of each day when applicable.

To determine winners, fish will be measured by length, using a Wyoming Game & Fish measuring board, added to the girth of the fish, for a grand total measurement on each day of fishing. Weight will be measured by Derby or WYG&F officials if they deem necessary. 6 fish may be judged to give a grand total for a team. All decisions by the Tournament Director are final.

Please keep the area clean. Garbage cans are provided. Do not dump in the lakes. Pack out your trash.

The Meeteetse Visitor Center, it’s Board of Directors, Employees and Members claim no responsibility for the condition of any roads used to access this Fishing Derby on Upper Sunshine Reservoir, and Lower Sunshine Reservoir, Meeteetse, Wyoming. Please limit traffic on the lakes to a minimum.

All registered fishermen and guests must sign an affidavit of Derby rules and compliance located on the entry form.

Tournament pays 1st through 3rd place. Calcutta pays out 1st through 3rd place of Calcutta participants, if there are enough participants. There will be less placements with less participants.

All entries are non-refundable unless Derby officials cancel the event for any reason. In the event the event is cancelled, all entries will be refunded after a 15% handling charge is deducted. If you have received your Derby marker, no further check in is required. You must have completed your registration and received an official marker in order to have your fish judged.
