We’re upgrading our website!
Throughout the next year, you will see new components to our website that help you explore the history of the area. For instance, on the first page you will find a gold button on the left that reads “Area History.” Clicking on that will bring you to article links about area people and topics, such as Amelia Earhart, Charles Belden, A. A. Anderson, and the mining town of Kirwin. We will periodically add more articles, some written using our own archives. Further down the road we also plan to create a button for oral histories, photographs, and other historic resources. We already have available a button for PowerPoint presentations. Of course, this is a work in progress and will take time. Our ultimate goal is to make Meeteetse’s history more accessible to researchers and the general public. Visit www.meeteetsemuseums.org to see the changes!
Library Book Club is reading "Light on Snow" by Anita Shreve. Come and pick up one to read (Large Print is available). Book discussion will be Thursday, Feb. 21 at 3:00. The next book will be "The Undoing of Saint Silvanus" by Beth Moore. Come and pick one up if you'd like to read along with us.

Senior Movie Day! It's just NOT GOING TO HAPPEN this month. Sorry! Between library schedules, Rec schedules, Holidays and Vacations we can't find a good day for movie watching. We'll shoot for March.

**NAILED IT! A Teen Cupcake Challenge! For Grades 5-12, Tuesday, Feb. 26, 3:30-5:30.** We've got the supplies, Teens will be creating (and recreating) designer cupcakes in 3 categories. Bring your best decorating skills and be ready for some fun & stiff competition! And at the end - you get to eat the results!

"Did you know?" the library has magazines for checkout? The most current magazines are for "in-house" use but once a new issue comes in the older issues can be checked out. We have People, ESPN, Popular Science, Real Simple, Money, HGTV, Prevention, Consumer Reports and more!

DID YOU KNOW?...
~Research by: Kathleen Holtzer~

I would also like to inform the folks who have been contributing to our gravestone fund that we have $1245.00 in our account the last I heard. We have George Andres, John A Donald, Thomas Foley, Carl Powell, John Reynolds, and Ted Sell to get stones for. 5 of them for sure should merit military stones, I’m not really certain of the other one. Then of course we still have Milt Busby to get a stone for. This has been the most gratifying thing I think I have ever been a part of, and I wish that someone in every town would get on the stick and check out all their vets! Cody thinks they may have 6 or 7 Civil War Vets. We have more than that, so I know darned well so do they. They just haven’t been marked or checked on. Too many veterans are going unremarked, and I think that is awful. So many of them lie in cemeteries with not even a marker. They deserve much more than that, and I am happy to be a part of remembering ours.
