Mystery Artifact of the Week

We need your help! In the museum field we often come across artifacts that are unfamiliar to us and, unfortunately, don’t have the paperwork to tell us where they come from and what they are for. Throughout the year we will be posting mystery artifacts of the week. We have little to no information on them and need your help to figure out what they are.

Know what this artifact is? Email us at programs@meetetseumuseums.org or call us (307) 868-2423

Book Club books are in! Stop by and pick up a book to read – we always welcome new readers. This time we are reading “Circe” by Madeline Miller. An epic tale of Greek mythology, it is a highly rated bestseller and tops numerous “Best Books of the Year” lists. Next meeting date will be Tuesday, Jan. 21 at 1:00 pm – it’s a longer book so that gives us a little more time to read. I’ve also got some study guide/ questions that go along with the book if you’re interested in picking that up along with the book.

With the New Year here it’s time for a new calendar – come and get one at the library! We have had a nice selection of 2020 calendars donated by generous patrons. They are free to anyone who would like one.

January Senior Movies will be Monday, Jan. 13 and Mon. Jan 27. Everyone is welcome to join us. Come and have lunch at the Sr. Center first, and ride the bus up, or just join us at the Rec After School Building at 12:45 for Popcorn and a Movie. The movie is free and is a collaboration between Meeteetse Rec, Meeteetse Sr. and Meeteetse Library.

And, looking forward to January, we will be offering an Adult Learning opportunity from the Center of the West, Cody, via Skype. This lesson “Do You See Me Like I See Me: Cultural Perspectives in Western American Art” will be offered on Friday, Jan. 17 at 10:00 am. It will be in the Library and, through the use of technology, will be an interactive lesson/program of about 45 minutes with some time for discussion and questions. This program is aimed at out adult patrons, we invite you all to come and learn with us. We’ll have coffee and goodies to share while we listen.

The latter part of January we’re going to have a Book Sale at the Library! As new books come in some of the older books have to go to make room … some are pretty well worn and some are pretty old but they’re still good books. There will be a nice selection of Children’s and Adult books as well as a few DVDs and CDBooks. Watch for the dates!

Storytime at the Library is Tuesdays at 10:30 am. This is for Toddlers -short attention spans are not a problem! We expect that and will roll with the punches! We’ll do some singing and movement followed by a few short stories. It’s fun for all.

Rules & Regulations
February 8 & 9, 2020 Meeteetse 12th Annual Ice Fishing Derby
And Tagged Fish Competition

NEW 2020 RULES

1. Multiple tagged fish will be released in the Upper Sunshine Reservoir & Lower Sunshine Reservoir. The number of released fish will be determined by the amount of sponsorships. Each official registered contestant is eligible for ONLY 1 TAGGED FISH. If more than 1 official registered contestant catches a tagged fish during the derby, the total amount of sponsorship money collected will be split evenly between the winners. The cash prize for a tagged fish will be based on the amount of sponsorships collected by 8 a.m. on February 8, 2020. Tagged fish prize money will be paid within 30-days of the derby.

2. Any tagged fish caught by any other fisherman other than official registered contestants or if an official registered participant catches more than 1 tagged fish, that fish will be considered void and that tagged fish number will be taken out of the eligible pool of tagged fish. Small fry free entries are not eligible for tagged fish cash prize.

3. Verification of winner will be determined by at least one witness and turned in to the Derby judges. Derby participants are encouraged to take pictures and video of any tagged fish caught. By signing the release, all official registered contestants agree to submit to MVC any documentation of the official registered contestant catching the tagged fish.

4. Teams must enter 3 fish on Saturday from Upper Sunshine Reservoir & 3 fish on Sunday from Lower Sunshine Reservoir. To determine winners, fish will be measured by LENGTH ONLY.

5. Registration fee is $150.00 for each team, up to 3 persons per team, no age restrictions on team members. Payouts will be 50% of registration fee.

6. Registration will be considered complete when payment is received, all participants have signed the release, and all registration information is complete.

7. A $150.00 prize will be awarded each day for the team with most total inches. There will also be cash awards for two-day totals given at the award ceremony on Sunday; number of payouts in Contest and Calcutta to be determined by number of teams entered in the Derby.

To be eligible for prizes, contestants must hold a current Wyoming Fishing License, must be registered and have paid an entry fee to the Meeteetse Visitor Center. Any unregistered fishermen will be disqualified. Any fishing before 8:00 am and after 2:00 p.m. each day will be an automatic disqualification of the team. Judging will be from 2:00 until 3:30 pm on both days. Fishing must be on the Upper Sunshine Reservoir on Saturday and the Lower Sunshine Reservoir on Sunday.

Registration marker cannot be transferred and MUST BE VISIBLE at all times on the Derby participants.

Wyoming Game & Fish (WG&F) regulations apply to all official registered contestants. WG&F personnel will be present at the Fishing Derby. Any WG&F violation will result in automatic disqualification of the entire team. To qualify for prizes, there is a maximum of two (2) rods per person. Only 6 fish total will be judged for both days—see above rules. Fishing holes can be no larger than ten inches (10") in diameter. Remember the daily and possession limit on the Sunshine Reservoir is six (6) trout.

The Meeteetse Ice Fishing Derby is a HARVEST CONTEST. No culling will be allowed and would result in immediate disqualification. Any fish caught that is not to be counted in the creel limit shall be immediately released to the water with as little injury to the fish as possible. Any fish placed on a stringer, in a container, in a live well, or not released immediately to the water, shall be considered to be reduced to possession of the angler and shall be killed prior to being transported from the water of origin. – Wyoming Fishing Regulations 2019, page 5.

Gutting or any other alteration of the fish will result in disqualification. NO FROZEN FISH WILL BE ACCEPTED. Fish with white eyes or other signs of being frozen may be sliced open by Derby Judge to check for internal signs of freezing.

All decisions by the MVC Board of Directors and official contest judges are final. Please keep the area clean. Garbage cans will be provided. Do not dump trash through your ice holes. Pack out your trash. Ice cleats are highly recommended due to lack of snow cover on the ice.

The Meeteetse Visitor Center, it's Board of Directors, Employees and Members claim no responsibility for the condition of any roads used to access this Ice Fishing Derby on Upper Sunshine Reservoir, and Lower Sunshine Reservoir, Meeteetse, Wyoming. Further, the above claim no responsibility for accidents or injuries on either thin ice areas, the Reservoirs or the surrounding area as a whole. You are on the premises at your own risk. Please limit traffic on the ice to ATVs or snowmobiles only and limit to a minimum.

All entries are non-refundable unless Derby officials cancel the event for any reason. In the event the event is cancelled, all entries will be refunded after a 15% handling charge is deducted. If you have received your Derby marker, no further check in is required. No late registrations will be allowed. You must have completed your registration and received an official marker in order to have your fish judged.
